

General Assembly

Distr.: General
12 December 2024

Seventy-ninth session

Agenda item 125 (n)

Cooperation between the United Nations and regional and other organizations: cooperation between the United Nations and the Organisation for the Prohibition of Chemical Weapons

**Resolution adopted by the General Assembly
on 6 December 2024**

[without reference to a Main Committee ([A/79/L.31](#))]

79/134. Cooperation between the United Nations and the Organisation for the Prohibition of Chemical Weapons

The General Assembly,

Recalling its resolution [77/272](#) of 20 February 2023 on cooperation between the United Nations and the Organisation for the Prohibition of Chemical Weapons,

Having received the report for 2023 of the Organisation for the Prohibition of Chemical Weapons on the implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction,¹

1. *Takes note* of the report for 2023 of the Organisation for the Prohibition of Chemical Weapons submitted on its behalf by its Director General;

2. *Notes with appreciation* the ongoing work of the Organisation for the Prohibition of Chemical Weapons with regard to the implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction;²

3. *Commends* the continued work of the Organisation for the Prohibition of Chemical Weapons to enhance the capacity of States parties and the Organisation to use chemistry for peaceful purposes and respond to threats involving toxic chemicals, including through the development of a Centre for Chemistry and Technology as a platform where the Technical Secretariat and States parties can learn, exchange views

and work in common purpose to further achieve the object and purpose of the Convention;

4. *Welcomes* the effective and ongoing cooperation between the United Nations and the Organisation for the Prohibition of Chemical Weapons as set out in the Agreement concerning the Relationship between the United Nations and the Organisation for the Prohibition of Chemical Weapons;³

5. *Notes with appreciation* the participation of the Organisation for the Prohibition of Chemical Weapons in the United Nations Global Counter-Terrorism Coordination Compact;

6. *Recalls* the report of the Conference of the States Parties to the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction on its fourth special session, held in The Hague on 26 and 27 June 2018, and also recalls the decision adopted at the special session entitled “Addressing the threat from chemical weapons use”;

7. *Also recalls* the establishment of the Investigation and Identification Team of the Organisation for the Prohibition of Chemical Weapons as announced at the ninety-first session of the Executive Council of the Organisation in a note by the Technical Secretariat, EC-91/S/3, dated 28 June 2019, entitled “Work of the Investigation and Identification Team established by decision C-SS-4/DEC.3 (dated 27 June 2018)”, in which all States parties were informed about the establishment of the Investigation and Identification Team with the purpose of identifying, in compliance with C-SS-4/DEC.3, the perpetrators of the use of chemical weapons in the Syrian Arab Republic;

8. *Takes note with grave concern* of the first report of the Investigation and Identification Team pursuant to paragraph 10 of decision C-SS-4/DEC.3, entitled “Addressing the threat from chemical weapons use: Ltamenah (Syrian Arab Republic) – 24, 25, and 30 March 2017”, released on 8 April 2020,⁴ the second report of the Investigation and Identification Team, entitled “Addressing the threat from chemical weapons use: Saraqib (Syrian Arab Republic) – 4 February 2018”, released on 12 April 2021,⁵ the third report of the Investigation and Identification Team, entitled “Addressing the threat from chemical weapons use: Douma (Syrian Arab Republic) – 7 April 2018”, released on 27 January 2023⁶ and the fourth report of the Investigation and Identification Team, entitled “Addressing the threat from chemical weapons use: Marea (Syrian Arab Republic) – 1 September 2015”, released on 22 February 2024,⁷ and expresses appreciation for the work done in this regard;

9. *Recalls* Executive Council decision EC-94/DEC.2, dated 9 July 2020, entitled “Addressing the possession and use of chemical weapons by the Syrian Arab Republic”,⁸ and welcomes the transmission of that decision and its associated reports to the Security Council and the General Assembly through the Secretary-General;

10. *Also recalls* decision C-25/DEC.9, dated 21 April 2021, of the Conference of the States Parties to the Convention, entitled “Addressing the possession and use of chemical weapons by the Syrian Arab Republic”,⁹ and takes note of

decision C-28/DEC.12, dated 30 November 2023, entitled “Addressing the threat from chemical weapons use and the threat of future use”;¹⁰

11. *Further recalls* Security Council resolution [2118 \(2013\)](#) of 27 September 2013, in which, inter alia, the Council requested the Director General of the Organisation for the Prohibition of Chemical Weapons to report to the Security Council, through the Secretary-General, on a monthly basis, on the implementation of resolution [2118 \(2013\)](#) and the decision of the Executive Council of the Organisation of 27 September 2013,¹¹ also recalls paragraph 5 of Security Council resolution [2209 \(2015\)](#) of 6 March 2015, in which the Council welcomed the intention of the Director General to include future reports of the Organisation for the Prohibition of Chemical Weapons fact-finding mission in the Syrian Arab Republic, which was mandated to establish the facts surrounding allegations of the use of toxic chemicals for hostile purposes in the Syrian Arab Republic, as part of his monthly report to the Council, notes in this regard the transmission by the Director General of all monthly reports, as well as all reports of the fact-finding mission, during the reporting period, and expresses appreciation for the work done in this regard;

12. *Takes note with grave concern* of the note by the Technical Secretariat of the Organisation for the Prohibition of Chemical Weapons of 18 November 2024,¹² confirming the presence of riot control agents (CS gas) in samples recovered by Ukrainian authorities from the battlefield, and urges the Technical Secretariat to closely monitor the use of chemical weapons arising from the aggression against Ukraine, or any other armed conflict, and calls upon all parties involved to comply with the obligations and prohibitions established in the Convention;

13. *Decides* to include in the provisional agenda of its eighty-first session, under the item entitled “Cooperation between the United Nations and regional and other organizations”, the sub-item entitled “Cooperation between the United Nations and the Organisation for the Prohibition of Chemical Weapons”.

*48th plenary meeting
6 December 2024*
