**Programme of work**

4. Rule 99 (b) of the rules of procedure of the General Assembly provides that:

Each Main Committee, taking into account the closing date for the session fixed by the General Assembly on the recommendation of the General Committee, shall adopt its own priorities and meet as may be necessary to complete the consideration of the items referred to it. It shall at the beginning of the session adopt a programme of work indicating, if possible, a target date for the

conclusion of its work, the approximate dates of consideration of items and the number of meetings to be allocated to each item.

5. Pursuant to General Assembly resolution [77/335](#) on further measures for the revitalization of the work of the Assembly, upon the recommendation of the Sixth Committee, the Assembly, at its 47th plenary meeting, held on 4 December 2024, adopted decision 79/524 containing the provisional programme of work of the Committee for the eightieth session of the Assembly.

6. The General Assembly, at its 2nd plenary meeting, held on 12 September 2025, upon the recommendation of the General Committee (see [A/80/250](#)), fixed the target date of 21 November 2025 for the completion of the work of the Sixth Committee.

7. The Bureau of the Committee has considered the provisional programme of work as contained in decision 79/524 and has taken into account the allocation of additional items (requests for observer status in the General Assembly) to the Committee by the General Assembly, as well as the reduction of the length of the report of the International Law Commission on the work of its seventy-sixth session (as a consequence of the reduction of the length of the Commission's session) and the anticipated workload at the present session. ### **Establishment of working groups and holding of consultations**

8. Concerning agenda item 76, entitled “Responsibility of States for internationally wrongful acts”, the General Assembly, by its resolution [77/97](#), decided to include the item in the provisional agenda of its eightieth session and to further examine, within the framework of a working group of the Sixth Committee and with a view to taking a decision, the question of a convention on responsibility of States for internationally wrongful acts or other appropriate action on the basis of the articles on responsibility of States for internationally wrongful acts. In the light of that, three meetings, to be held on 15 October and 3 and 7 November, have been suggested for that purpose.

9. Concerning agenda item 109, entitled “Measures to eliminate international terrorism”, the General Assembly, by its resolution [79/129](#), decided to recommend that the Sixth Committee, at the eightieth session of the Assembly, establish a working group with a view to finalizing the process on the draft comprehensive convention on international terrorism as well as discussions on the item included in its agenda by Assembly resolution [54/110](#) concerning the question of convening a high-level conference under the auspices of the United Nations. In the light of that, two meetings, to be held on 17 October and 6 November, have been suggested for that purpose.

10. The consideration of the reports of the working groups in plenary is scheduled for 14 November. It has also been suggested that the following be held: a briefing on agenda item 77, entitled “Criminal accountability of United Nations officials and experts on mission”, on 16 October; and an informal briefing on agenda item 146, entitled “Administration of justice at the United Nations”, on 17 October.

11. In view of the limited conference services available to the Sixth Committee (see para. 22), any meetings for the working groups or for informal consultations are accommodated within the overall meetings allocated to the Committee.

12. Concerning agenda item 86, entitled “Protection of persons in the event of disasters”, the General Assembly, by its resolution [79/128](#), decided that the Sixth Committee shall resume its session for up to five days by the end of April 2026 at the latest, in order to prepare a consolidated text that will serve as the basis for the negotiations of a legally binding instrument on the protection of persons in the event of disasters, including the draft articles on the protection of persons in the event of disasters and the proposals submitted by Governments, within the framework of a working group of the Committee. It is expected that the Sixth Committee will include, in the forthcoming draft resolution to be prepared under the agenda item, an indication of the dates and number of meetings of the working group.

### **Statements by delegations**

13. The list of speakers for the debate on all agenda items opened on 15 September 2025. Delegations are invited to inscribe their names on the list of speakers through the eSpeakers module for the Sixth Committee in the e-deleGATE portal, preferably

by 5 p.m. on the Friday preceding the week in which each agenda item is scheduled to be considered (unless otherwise indicated). The live list of speakers for each agenda item can be accessed through the e-deleGATE portal, or from the website of the Sixth Committee.<sup>3</sup>

14. Pursuant to General Assembly resolution 72/313, delegations are encouraged to adhere to the “all protocol observed” principle and to refrain from listing standard protocol expressions during their statements. In the same resolution, the Assembly recommended that speakers should be mindful of the speed of statement delivery, bearing in mind the need for accuracy of interpretation. The delivery of national statements will be limited to 7 minutes, and group statements to 12 minutes, for all agenda items except those dealing with the annual report of the International Law Commission, for which delegations are encouraged to limit their statements to main positions and views for a total of 12 minutes (with further information or clarifications provided in written versions made available through the eStatements portal or in written submissions to the Commission).

15. In accordance with General Assembly decision 34/401, delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for the consideration of the relevant agenda item on that day, or at the conclusion of the consideration of the item, if that is sooner. The first statement should be limited to five minutes and the second, if any, to three minutes.

### **Draft resolutions**

16. The initiation and sponsorship of draft resolutions, where applicable, will be undertaken electronically through the eSponsorship module for the Sixth Committee in the e-deleGATE portal.

17. Unless otherwise agreed, coordinators or main sponsors, as applicable, of proposals for draft resolutions are encouraged to hold at least one informal consultation per proposal. The Secretariat will provide assistance where necessary. Informal consultations should be announced sufficiently in advance, including in the *Journal of the United Nations*, so as to allow participation by representatives of all Member States. Once consultations have concluded, it is the practice of the Sixth Committee to place proposals for draft resolutions under a silence procedure, prior to their submission for processing and issuance in all official languages as limited (“L”) documents.

18. All delegations wishing to sponsor a proposal for a draft resolution, where applicable, are encouraged to do so electronically through the eSponsorship module, rather than during the formal proceedings of the Committee. This is without prejudice to the possibility of delegations sponsoring a proposal for a draft resolution at the time of the Committee’s action on the latter during a plenary meeting. Sponsorship should take place at the level of the Sixth Committee, given that, once the Committee has adopted a proposal for a draft resolution and recommended its adoption by the General Assembly, its sponsorship can no longer be altered by Member States. Proposals for draft resolutions submitted on behalf of the Bureau are not subject to sponsorship.

19. Pursuant to rule 153 of the rules of procedure of the General Assembly, “no resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General”. It is therefore imperative that the Sixth Committee allow sufficient time for the preparation of estimates of expenditure by

the Secretariat and for their consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee. Bearing in mind that 21 November has been fixed as the concluding date for the work of the Sixth Committee (see para. 6), 7 November would have to be considered the mandatory deadline for submission to the Fifth Committee of draft resolutions with financial implications, except for draft resolutions concerning items to be considered after that date. When submitting such proposals, delegations may also wish to bear in mind that, in most cases, a period of more than 48 hours, up to four days, is required for the Secretary-General to review the programme budget implications of proposals. Accordingly, the deadline for finalization and submission of all draft resolutions for budget review and processing is 14 November 2025.

20. Each coordinator or main sponsor, as applicable, of proposals for draft resolutions will be invited to introduce their respective draft resolutions as issued in limited distribution ("L") documents. Such introductions take place at plenary meetings, and will be announced in advance, including in the *Journal*.

21. Except for draft resolutions introduced at the final meeting of the substantive part of the session on 21 November 2025, it is the practice of the Committee to take action on each draft resolution at the plenary meeting following that at which the draft resolution was introduced, or at a later date. Any anticipated action on draft resolutions or decisions will be announced in advance, including in the *Journal* and on the website of the Committee. It is the practice of the Sixth Committee to strive for the adoption of draft resolutions without taking a vote.

#### **Conference resources available**

22. The available conference facilities will, in principle, enable the Committee to hold between three and six plenary meetings per week. Morning meetings will be held from 10 a.m. to 1 p.m. and afternoon meetings from 3 to 6 p.m.

23. Unless otherwise specified, formal meetings of the Committee will be held from 10 a.m. to 1 p.m. and from 3 to 6 p.m. in the Trusteeship Council Chamber. The General Assembly has stressed that a punctual start to the meetings is critical to the efficient utilization of services allocated to the intergovernmental bodies of the United Nations. In accordance with past practice, rule 108 of the rules of procedure of the Assembly could be waived with respect to the quorum needed to declare a meeting open.
