### Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples

## Resolution adopted by the General Assembly on 9 December 2021

[*on the report of the Special Political and Decolonization Committee (Fourth Committee) (A/76/425, para. 37)*]

### 76/100. Question of Saint Helena

*The General Assembly,*

*Having considered* the question of Saint Helena and examined the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples for 2021,<sup>1</sup>

*Taking note* of the working paper prepared by the Secretariat on Saint Helena<sup>2</sup> and other relevant information,

*Recognizing* that all available options for self-determination of the Territory are valid as long as they are in accordance with the freely expressed wishes of the people of Saint Helena and in conformity with the clearly defined principles contained in General Assembly resolutions 1514 (XV) of 14 December 1960, 1541 (XV) of 15 December 1960 and other resolutions of the Assembly,

*Expressing concern* that, more than 60 years after the adoption of the Declaration on the Granting of Independence to Colonial Countries and Peoples,<sup>3</sup> there still remain 17 Non-Self-Governing Territories, including Saint Helena,

*Conscious* of the importance of continuing the effective implementation of the Declaration, taking into account the target set by the United Nations to eradicate colonialism by 2030 and the plan of action for the International Decades for the Eradication of Colonialism,<sup>4</sup>

<sup>3</sup> Resolution 1514 (XV).

<sup>4</sup> A/56/61, annex.

*Recognizing* that the specific characteristics and the aspirations of the people of Saint Helena require flexible, practical and innovative approaches to the options for self-determination, without any prejudice to territorial size, geographical location, size of population or natural resources,

*Convinced* that the wishes and aspirations of the people of the Territory should continue to guide the development of their future political status and that referendums, free and fair elections and other forms of popular consultation play an important role in ascertaining the wishes and aspirations of the people,

*Concerned* by the use and exploitation of the natural resources of the Non-Self-Governing Territories by the administering Powers for their benefit, by the use of the Territories as international financial centres to the detriment of the world economy and by the consequences of any economic activities of the administering Powers that are contrary to the interests of the people of the Territories, as well as to resolution 1514 (XV),

*Convinced* that any negotiations to determine the status of the Territory must take place with the active involvement and participation of the people of the Territory, under the auspices of the United Nations, on a case-by-case basis, and that the views of the people of Saint Helena in respect of their right to self-determination should be ascertained,

*Noting* the continued cooperation of the Non-Self-Governing Territories at the local and regional levels, including participation in the work of regional organizations,

*Mindful* that, in order for the Special Committee to enhance its understanding of the political status of the people of Saint Helena and to fulfil its mandate effectively, it is important for it to be apprised by the United Kingdom of Great Britain and Northern Ireland as the administering Power and to receive information from other appropriate sources, including the representatives of the Territory, concerning the wishes and aspirations of the people of the Territory,

*Aware* of the importance both to Saint Helena and to the Special Committee of the participation of elected and appointed representatives of Saint Helena in the work of the Committee,

*Recognizing* the need for the Special Committee to ensure that the appropriate bodies of the United Nations actively pursue a public awareness campaign aimed at assisting the people of Saint Helena with their inalienable right to self-determination and in gaining a better understanding of the options for self-determination, on a case-by-case basis,

*Mindful*, in that connection, that the holding of regional seminars in the Caribbean and Pacific regions and at Headquarters, with the active participation of representatives of the Non-Self-Governing Territories, provides a helpful means for the Special Committee to fulfil its mandate and that the regional nature of the seminars, which alternate between the Caribbean and the Pacific, is a crucial element in the context of a United Nations programme for ascertaining the political status of the Territories,

*Recalling* the Caribbean regional seminar on the theme “Implementation of the Third International Decade for the Eradication of Colonialism: accelerating decolonization through renewed commitment and pragmatic measures”, held by the Special Committee in Grand Anse, Grenada, and hosted by the Government of Grenada from 2 to 4 May 2019, as a significant and forward-looking event, which enabled the participants to assess progress made and address challenges faced in the

decolonization process, review the existing working methods of the Committee and renew its commitment to implementing its historic task,

*Recalling also* the importance of the conclusions and recommendations adopted by the seminar, which were annexed to the report of the Special Committee for 2019<sup>5</sup> and which outlined the findings of the seminar, including, especially, the way forward for the decolonization process within the context of the proclamation by the General Assembly of the period 2011–2020 as the Third International Decade for the Eradication of Colonialism,<sup>6</sup>

*Mindful* that the 2021 Caribbean regional seminar, originally scheduled to be convened in Dominica, from 19 to 21 May 2021, had to be rescheduled, and welcoming the holding of the regional seminar in the Parish of Saint John, Dominica, from 25 to 27 August 2021,

*Noting with appreciation* the contribution to the development of some Territories by the specialized agencies and other organizations of the United Nations system, in particular the Economic Commission for Latin America and the Caribbean, the Economic and Social Commission for Asia and the Pacific, the United Nations Development Programme and the World Food Programme, as well as regional institutions such as the Caribbean Development Bank, the Caribbean Community, the Organisation of Eastern Caribbean States, the Pacific Islands Forum and the agencies of the Council of Regional Organizations in the Pacific,

*Recalling* the statement made by a representative of the Legislative Council of Saint Helena at the Caribbean regional seminar held in Managua from 19 to 21 May 2015,<sup>7</sup>

*Recalling also* the extension by the administering Power to Saint Helena of the Convention on the Elimination of All Forms of Discrimination against Women<sup>8</sup> in March 2017,

*Noting with serious concern* that the Territory last participated in the activities of the Special Committee in 2015,

*Taking into account* the unique character of Saint Helena in terms of its population, geography and natural resources,

*Aware* of the efforts of the administering Power and the territorial Government to improve the socioeconomic conditions of the population of Saint Helena, in particular in the areas of employment, transport and communications infrastructure, and of the adoption of the Sustainable Economic Development Plan 2018–2028,

*Aware also* of the completion of the construction of the airport in the Territory and the commencement in October 2017 of commercial air service, and recalling the concerns expressed by a representative of the Legislative Council of Saint Helena about the potential impacts of the construction of the airport, such as the growing number of expatriate families settling in the Territory and the lack of a specific plan for the operation of an air route or sea link between Saint Helena and neighbouring islands,

*Stressing* the importance of regional ties for the development of a small island Territory,

2. *Also reaffirms that, in the process of decolonization of Saint Helena, there is no alternative to the principle of self-determination, which is also a fundamental human right, as recognized under the relevant human rights conventions;*

3. *Further reaffirms that it is ultimately for the people of Saint Helena to determine freely their future political status in accordance with the relevant provisions of the Charter, the Declaration and the relevant resolutions of the General Assembly, and in that connection calls upon the administering Power, in cooperation with the territorial Government and appropriate bodies of the United Nations system, to develop political education programmes for the Territory in order to foster an awareness among the people of their right to self-determination in conformity with the legitimate political status options, based on the principles clearly defined in Assembly resolution 1541 (XV) and other relevant resolutions and decisions;*

4. *Stresses the importance of the 2009 Constitution of the Territory and the further development of democratic and good governance, including the ongoing governance reform process;*
