on 10 December 2020**

[*on the report of the Special Political and Decolonization Committee  
(Fourth Committee) (A/75/420, para. 27)*]

**75/116. Question of Pitcairn**

*The General Assembly,*

*Having considered* the question of Pitcairn and examined the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples for 2020,<sup>1</sup>

*Taking note* of the working paper prepared by the Secretariat on Pitcairn<sup>2</sup> and other relevant information,

*Recognizing* that all available options for self-determination of the Territory are valid as long as they are in accordance with the freely expressed wishes of the people of Pitcairn and in conformity with the clearly defined principles contained in General Assembly resolutions 1514 (XV) of 14 December 1960, 1541 (XV) of 15 December 1960 and other resolutions of the Assembly,

*Expressing concern* that 60 years after the adoption of the Declaration on the Granting of Independence to Colonial Countries and Peoples,<sup>3</sup> there still remain 17 Non-Self-Governing Territories, including Pitcairn,

*Conscious* of the importance of continuing the effective implementation of the Declaration, taking into account the target set by the United Nations to eradicate colonialism by 2020 and the plans of action for the Second<sup>4</sup> and Third International Decades for the Eradication of Colonialism,

<sup>1</sup> *Official Records of the General Assembly, Seventy-fifth Session, Supplement No. 23 (A/75/23).*

<sup>2</sup> A/AC.109/2020/12.

<sup>3</sup> Resolution 1514 (XV).

<sup>4</sup> A/56/61, annex.

*Recognizing* that the specific characteristics and the aspirations of the people of Pitcairn require flexible, practical and innovative approaches to the options for self-determination, without any prejudice to territorial size, geographical location, size of population or natural resources,

*Convinced* that the wishes and aspirations of the people of the Territory should continue to guide the development of their future political status and that referendums, free and fair elections and other forms of popular consultation play an important role in ascertaining the wishes and aspirations of the people,

*Concerned* by the use and exploitation of the natural resources of the Non-Self-Governing Territories by the administering Powers for their benefit, by the use of the Territories as international financial centres to the detriment of the world economy and by the consequences of any economic activities of the administering Powers that are contrary to the interests of the people of the Territories, as well as to resolution 1514 (XV),

*Convinced* that any negotiations to determine the status of the Territory must take place with the active involvement and participation of the people of the Territory, under the auspices of the United Nations, on a case-by-case basis, and that the views of the people of Pitcairn in respect of their right to self-determination should be ascertained,

*Noting* the continued cooperation of the Non-Self-Governing Territories at the local and regional levels, including participation in the work of regional organizations,

*Mindful* that, in order for the Special Committee to enhance its understanding of the political status of the people of Pitcairn and to fulfil its mandate effectively, it is important for it to be apprised by the United Kingdom of Great Britain and Northern Ireland as the administering Power and to receive information from other appropriate sources, including the representatives of the Territory, concerning the wishes and aspirations of the people of the Territory,

*Aware* of the importance both to Pitcairn and to the Special Committee of the participation of elected and appointed representatives of Pitcairn in the work of the Committee,

*Recognizing* the need for the Special Committee to ensure that the appropriate bodies of the United Nations actively pursue a public awareness campaign aimed at assisting the people of Pitcairn with their inalienable right to self-determination and in gaining a better understanding of the options for self-determination, on a case-by-case basis,

*Mindful*, in that connection, that the holding of regional seminars in the Caribbean and Pacific regions and at Headquarters, with the active participation of representatives of the Non-Self-Governing Territories, provides a helpful means for the Special Committee to fulfil its mandate and that the regional nature of the seminars, which alternate between the Caribbean and the Pacific, is a crucial element in the context of a United Nations programme for ascertaining the political status of the Territories,

*Recalling* the Caribbean regional seminar on the theme “Implementation of the Third International Decade for the Eradication of Colonialism: accelerating decolonization through renewed commitment and pragmatic measures”, held by the Special Committee in Grand Anse, Grenada, and hosted by the Government of Grenada from 2 to 4 May 2019, as a significant and forward-looking event, which enabled the participants to assess progress made and address challenges faced in the

decolonization process, review the existing working methods of the Committee and renew its commitment to implementing its historic task,

*Recalling also* the importance of the conclusions and recommendations adopted by the seminar, which are annexed to the report of the Special Committee<sup>5</sup> and which outline the findings of the seminar, including, especially, the way forward for the decolonization process within the context of the proclamation by the General Assembly of the period 2011–2020 as the Third International Decade for the Eradication of Colonialism,<sup>6</sup>

*Noting with serious concern* that the Territory last participated in the activities of the Special Committee in 2004,

*Taking into account* the unique character of Pitcairn in terms of population, area and access,

*Aware* that the administering Power and the territorial Government have implemented a governance structure to strengthen administrative capacity in the Territory, based on consultations with the people of the Territory,

*Noting* that the administering Power and the territorial Government have developed a five-year strategic development plan, covering the period from 2019 to 2024, that sets out the views and aspirations of the people of the Territory for the socioeconomic development of the Territory,

*Recalling with concern* the findings contained in the final report on the survey commissioned by the Pitcairn Island Council to ascertain whether members of the diaspora had any interest in returning to the Territory and the factors conditioning a decision,<sup>7</sup>

*Recalling* that a marine protected area was established around Pitcairn in September 2016,<sup>8</sup>

*Welcoming* the measures taken by the administering Power to improve accessibility to the Territory with the introduction of enhanced transport and shipping services,

*Stressing* the importance of regional ties for the development of a small island Territory,

*Noting* the general elections that were held in November 2019,<sup>9</sup> and welcoming the election of the first female Mayor of the Territory,

*Recalling* its resolutions [74/270](#) of 2 April 2020, entitled “Global solidarity to fight the coronavirus disease 2019 (COVID-19)”, and [74/274](#) of 20 April 2020, entitled “International cooperation to ensure global access to medicines, vaccines and medical equipment to face COVID-19”,

1. *Reaffirms* the inalienable right of the people of Pitcairn to self-determination, in conformity with the Charter of the United Nations and with General Assembly resolution [1514 \(XV\)](#), containing the Declaration on the Granting of Independence to Colonial Countries and Peoples;

2. *Also reaffirms* that, in the process of decolonization of Pitcairn, there is no alternative to the principle of self-determination, which is also a fundamental human right, as recognized under the relevant human rights conventions;

3. *Further reaffirms* that it is ultimately for the people of Pitcairn to determine freely their future political status in accordance with the relevant provisions of the Charter, the Declaration and the relevant resolutions of the General Assembly, and in that connection calls upon the administering Power, in cooperation with the territorial Government and appropriate bodies of the United Nations system, to develop political education programmes for the Territory in order to foster an awareness among the people of their right to self-determination in conformity with the legitimate political status options, based on the principles clearly defined in Assembly resolution 1541 (XV) and other relevant resolutions and decisions;

4. *Welcomes* all efforts by the administering Power and the territorial Government that would further devolve operational responsibilities to the Territory, with a view to gradually expanding self-government, including through the training of local personnel;

5. *Requests* the administering Power to assist the Territory by facilitating its work concerning public educational outreach efforts, consistent with Article 73 b of the Charter, and in that regard calls upon the relevant United Nations organizations to provide assistance to the Territory, if requested;

6. *Also requests* the administering Power to continue its assistance for the improvement of the economic, social, educational and other conditions of the population of the Territory and to continue its discussions with the territorial Government on how best to support socioeconomic and environmental security in Pitcairn, including as regards demographic matters;

7. *Stresses* that the Territory should continue to participate in the activities of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, including regional seminars, in order to provide the Committee with up-to-date information regarding the decolonization process;

8. *Welcomes* the work carried out on the preparation of the five-year strategic development plan for the island;

9. *Stresses* the importance of the Special Committee being apprised of the views and wishes of the people of Pitcairn and enhancing its understanding of their conditions, including the nature and scope of the existing political and constitutional arrangements between Pitcairn and the administering Power;

10. *Calls upon* the administering Power to participate in and cooperate fully with the work of the Special Committee in order to implement the provisions of Article 73 e of the Charter and the Declaration and in order to advise the Committee on the implementation of the provisions under Article 73 b of the Charter on efforts to promote self-government in Pitcairn, and encourages the administering Power to facilitate visiting and special missions to the Territory;

11. *Reaffirms* the responsibility of the administering Power under the Charter to promote the economic and social development and to preserve the cultural identity of the Territory, and requests the administering Power to take steps to enlist and make effective use of all possible assistance, on both a bilateral and a multilateral basis, in the strengthening of the economy of the Territory;
